

National Service in Michigan

MEETING COMMUNITY NEEDS IN MICHIGAN

More than 11,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Michigan. Serving at more than 1,700 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$26,690,000 to support Michigan communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$16,260,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 1,300 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Michigan. Most AmeriCorps grant funding goes to the Michigan Community Service Commission, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 27,000 Michigan residents have served more than 38 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$86,160,000.

Senior Corps: More than 9,700 seniors in Michigan contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 5,200 young people who have special needs. Senior Companions help more than 3,000 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 600 groups across Michigan.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Michigan, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing more than \$650,000 in expanding the impact of 18 nonprofits in Michigan, selected and supported by 1 intermediary.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

- Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.
- This figure represents the number of awarded positions available to be filled in the 2014 - 2015 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
 - This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Michigan. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
 - AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
 - The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
 - As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 27,000 Michigan residents have served more than 38 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$86,160,000.

AmeriCorps State

The Michigan Community Service Commission supports the AmeriCorps Urban Safety Corps in Detroit. This program engages 36 AmeriCorps members in increasing public safety by boarding up vacant properties, establishing neighborhood block clubs, installing home safety equipment, and engaging thousands of volunteers. The program, a partnership between Wayne State University and the Detroit Police Department, combines the crime targeting capabilities of CompStat with the community organizing capabilities of AmeriCorps members to reduce crime in the Midtown, Jefferson East, and other neighborhoods.

The Mentoring to Access Corps, a Michigan Nonprofit Association program in partnership with Mentor Michigan and Michigan Campus Compact, engages 35 full-time AmeriCorps members with youth mentoring programs, colleges, and universities across the state. Mentoring AmeriCorps members increase the quantity and quality of youth mentoring relationships while also impacting college-going rates and career readiness for hundreds of K-12 youth in Michigan. Campus AmeriCorps members increase college access for high school youth in grades 9-12 who come from low-income families or who have parents who did not attend college.

AmeriCorps VISTA

AmeriCorps VISTA Bradley Beckwith is creating jobs and using unwanted electronics. Within three months at his host site, Bay Area Recycling for Charities, Beckwith transformed the e-waste recycling facility, staffed by one employee, into a multifunctional eRecovery platform that now provides jobs for 12 new employees. The eRecovery Michigan program accepts donations of electronic waste—anything with plug or battery—including computers, televisions, cell phones, and kitchen appliances. The 12 new workers, hired through an employment organization that provides training and support to persons with disabilities and other barriers to independence, refurbishes them for sale or strips them reusable materials. In short, eRecovery Michigan takes old electronics and recycles them, yielding jobs and protecting the environment. A member of the Traverse Bay Area VISTA project, managed by Rotary Charities of Traverse City, Beckwith and nine other VISTAs, help strengthen educational programs and economic development across six counties in northwest lower Michigan. Beckwith's efforts helped the eRecovery Michigan program expand its facilities by partnering with a local medical center and the Traverse Bay Area Intermediate School District. He also created a database for donations, a manual on how to dismantle certain objects, and a safety manual as a training aid for the programs expanding employee base.

Using a small corps of paid staff and many dedicated volunteers, including AmeriCorps VISTA members, Catherine Health Center provides free or low-cost medical services to low-income and uninsured residents of Grand Rapids. VISTAs developed programs to help patients obtain medications and, through outreach and education, helped hundreds of residents sign up for health insurance. VISTAs and the community volunteers they recruited secured more than \$206,000 worth of medication for low-income patients through the Medication Assistance Program. They also enrolled more than 1,500 residents in the Live Heart Smart program, which helps people invest in healthy lifestyles and improve their health. To measure health status and behavior change among program participant, the VISTAs direct the teams that collect, analyze, and report on the outcomes.

AmeriCorps NCCC

An AmeriCorps NCCC team partnered with The YMCA of Metropolitan Detroit to help maintain and renovate camp buildings, land and activities. Members also assisted in the facilitation of Camp Ohiyesa and Camp Nissokone's spring Outdoor Education programs. Corps members installed 38 window frames in three cabins, built 19 full sized bed frames, assembled 20 picnic tables, dismantled four old showers, and cleared 1500 pounds of brush. They also completed a full restoration of two 26-foot voyageur canoes. Additionally, the NCCC team served at the YMCA Camp Ohiyesa in which they helped prepare the campgrounds for visitors by clearing brush, cleaning a dining hall, health lodge, and 12 cabins. Corps members also completed a roofing project, which consisted of replacing 30 square feet of shingles on four cabins. The NCCC team also helped facilitate outdoor education as well. Programming included orientation, facilitating outdoor activities, playing games, and performing skits. This impacted over 392 children. As a result of the NCCC team's service with Camps Nissokone and Ohiyesa, campers have a safe, clean space where they can learn new things, explore the outdoors, and make new friends.

An AmeriCorps NCCC team worked with The Flint Housing Commission (FHC) to prepare public housing units for incoming residents. The FHC seeks to provide its residents with decent, affordable housing in a safe, secure environment helping them to reach their full potential and ultimately become self-sufficient. Members cleaned two, four bedroom apartments, including the bathrooms, kitchens, floors, and basements. In addition to cleaning the apartments, corps members repaired drywall, sanded and painted walls, and waxed the floors. The NCCC team completed seven apartments total, including one 4-bedroom and six 2-bedroom apartments. In addition, Corps members had the opportunity to assist with the Section 8 housing sign up held during their service with the FHC. During this event, over 2000 community members came to sign up for the wait list which had been closed for almost ten years. The FHC manages 1,248 Section B housing units and over 900 Section 8 subsidy vouchers. The housing units in which the team was working are rented to tenants for \$0-50 a month. Due to the work of the NCCC team, an additional seven families will gain access to clean and affordable housing.

Senior Corps Foster Grandparent Program

The Foster Grandparent program sponsored by Washtenaw County reported that the assistance and intervention provided by Foster Grandparents is helping children improve children's literacy rates. Children who learn to read by third grade have a higher propensity to graduate and those who do not. In response to the community challenge, the Foster Grandparent Program placing 58 volunteers to serve 200 youth between the ages of 8 and 11 in Washtenaw schools. Of the 200 youth served, a survey indicated 77 percent showed an increase in reading participation, and 71 percent showed improvement in overall reading skills. One parent commented: "Jeramiah could not read at all in fall; not even basic sight words. By June, he could read many pre-primer books to Grandma. He truly benefited from her support with his reading practice."

Senior Corps RSVP

RSVP of Ingham, Eaton and Clinton Counties has tackled disaster preparedness in the community. Citing the Lansing's 2012 Hazard Vulnerability Analysis and the number 1 priority--getting community residents prepared for disasters, RSVP worked with a local nonprofit "Do 1 thing", made up of agencies who work in emergency response. Do 1 thing is nationally recognized by FEMA and the Centers for Disease Control. "Do 1 thing" developed a 12 month emergency training program providing residents with simple choices. The program uses printed instructions sheets, a calendar and the "Do 1 thing" web site. While instructions are simple and adaptable, some need extra help in understanding and taking steps necessary to be prepared, an area where RSVP is instrumental. Once trained, teams of RSVP volunteers go out and educate seniors to do 1 thing each month to be self-reliant for at least three days. Of the seniors attending, 85 percent reported better understanding of what to do to be prepared, and 91 percent reported feeling better prepared for a disaster.

Senior Corps Senior Companion Program

EightCAP, Inc., the Senior Companion Program sponsor in Greenville, is extending the lives and independence of clients through able and caring Senior Companions. Services include transportation for medical appointments, errands, banking, and grocery shopping. Senior Companions provide companionship to socially isolated elderly. In-home companionship and social intervention play an important role in improving the quality of life of the clients as well as prolonging their independence and forestalling premature and expensive institutionalization. This year 38 Senior Companion volunteers are providing service to 153 seniors. Survey data shows that 93 percent of clients say they feel less lonely, 96 percent say they can remain living in their own home, and 97 percent say they are more satisfied with their lives.

Social Innovation Fund

The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Michigan, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$3,255,967 in expanding the impact of 18 nonprofits in Michigan, selected and supported by four intermediaries.

Nonprofit Subgrantees in Michigan

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Ann Arbor, MI	Catholic Social Services of Washtenaw County Corporation for Supportive Housing	This project, led by Catholic Social Services of Washtenaw County, will serve 110 homeless frequent users of crisis health services in Washtenaw County and surrounding areas.
Detroit, MI	Focus: HOPE Local Initiatives Support Corporation	Focus:HOPE is expanding the scale of its existing Financial Opportunity Center to provide bundled on-site employment services, financial coaching and access to income supports to an additional 150 families who live, work or attend school in the HOPE Village Initiative target area.
Detroit, MI	Operation Able of Michigan Local Initiatives Support Corporation	Operation ABLE's new Financial Opportunity Center is enrolling midcareer-aged individuals who have been laid off from employment and are experiencing financial hardship to receive employment services, financial coaching, and public benefits access.
Detroit, MI	SER-Metro Detroit, Jobs for Progress Local Initiatives Support Corporation	SER-Metro Detroit, Jobs for Progress is expanding the staff capacity at the Financial Opportunity Center in Southwest Detroit to deliver the core services that assist clients to access public supports, attain gainful employment, and obtain, sustain or increase their family incomes.
Detroit, MI	Southwest Housing Solutions Local Initiatives Support Corporation	Southwest Housing Solutions provides comprehensive income support, financial coaching and employment services to an expanded client base of low to moderate income and low-wealth individuals and families in Detroit.
Pontiac, MI	Lighthouse of Oakland County Local Initiatives Support Corporation	Lighthouse of Oakland County is placing clients in the workforce; assisting clients with enrollment fees associated with training programs, community colleges and universities; and increasing the number of financial and educational workshops and seminars that are hosted annually.
Detroit, MI	Think Detroit Police Athletic League U.S. Soccer Foundation	Through this Soccer for Success program, over 900 youth are provided with physical activity, nutrition education, mentorship, and family engagement opportunities that combat childhood obesity and promote healthy lifestyles.
Ann Arbor, MI	National Kidney Foundation of Michigan United Way for Southeastern Michigan (UWSEM)	The Project for Early Childhood Health is improving health outcomes, promoting positive socialization, improving focus and concentration, and increasing self-efficacy.
Clinton Township, MI	Macomb Intermediate School District United Way for Southeastern Michigan (UWSEM)	Macomb Intermediate School District's Ready Communities program prepares high-risk children ages 0-5 for kindergarten through literacy-based outreach and engagement, home visitation and community-school collaboration.
Dearborn, MI	Arab Community Center for Economic and Social Services United Way for Southeastern Michigan (UWSEM)	The Arab Community Center for Economic and Social Services School Readiness project improves kindergarten readiness rates of children in low-income, immigrant families.

Nonprofit Subgrantees in Michigan

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Detroit, MI	Detroit Parent Network United Way for Southeastern Michigan (UWSEM)	The Pathways to Literacy project engages parents of children 0-5 with proven parent teaching strategies, support, and modeling focused on language, cognitive and communication skills to successfully prepare children for kindergarten.
Detroit, MI	Living Arts United Way for Southeastern Michigan (UWSEM)	Living Arts is expanding its data-driven, arts-infused early learning curriculum to over 130 pre-K classrooms in Southwest Detroit and other target communities to prepare more children for successfully entering kindergarten.
Detroit, MI	Matrix Human Services United Way for Southeastern Michigan (UWSEM)	Matrix's Born To Succeed project is a neighborhood-based approach to helping parents of children (prenatal to age five) provides nurturing, literacy-rich environments that foster kindergarten readiness.
Detroit, MI	Southwest Counseling Solutions United Way for Southeastern Michigan (UWSEM)	The English Language Learners Program breaks the cycle of poverty and illiteracy through school success by utilizing successful research-based programming to promote academic achievement among young children.
Detroit, MI	Vanguard CDC United Way for Southeastern Michigan (UWSEM)	Vanguard CDC is increasing parental knowledge and skills for engaging children ages 0-5 in developmentally appropriate activities and strengthening relationships between providers and parents to build kindergarten readiness.
Inkster, MI	Starfish Family Services United Way for Southeastern Michigan (UWSEM)	Starfish Family Service's Inkster Family Literacy Movement involves the entire community to improve children's development of language, cognitive, and communication skills through literacy campaigns, program, events, and toolkits.
Southgate, MI	The Guidance Center United Way for Southeastern Michigan (UWSEM)	The Guidance Center links parents with preschool-aged children to resources and literacy skill-building strategies to prepare children for kindergarten.
Wixom, MI	Detroit Public Television United Way for Southeastern Michigan (UWSEM)	Detroit Public Television is transforming early childhood learning curriculum into video-based media that is used by parent groups, neighborhood organizations, and other existing social networks to improve kindergarten readiness.
